Non-Confirmed COVID-19 Case - Response Flowchart- Dealing with Signs and Symptoms

You or your child do not feel well

Your illness **IS** related to a pre-existing condition such as but not limited to: diagnosed flu, diagnosed cold

Your illness is **NOT** related to a pre-existing condition such as but not limited to:
diagnosed flu, diagnosed cold, allergies

Your child's illness is **NOT** related to a pre-existing condition such as a diagnosed cold or alergies AND is showing more than one symptom such as sunny nose AND sore throat

Your child's illness **IS** related to a pre-existing condition such as but not limited to:
diagnosed flu, diagnosed cold

You are **not** compromised due to a weakened immune system, have a chronic health condition or regularly require treatment for a health condition

You are compromised due to a weakened immune system, have a chronic health condition or regularly require treatment for a health condition

Do not come in to work and schedule a COVID-19 test ASAP. Self-isolate until you receive your test results. Inform your direct supervisor you are off due to testing and immediately inform them of the results.

Do not take your child to school and isolate until a COVID-19 test is completed or there is an emergency

Do not take your child to school, consult with your family doctor and inform them of the symptoms

You have not been in contact with someone diagnosed with COVID-19

Contact you family doctor for further instructions

Consult with your family doctor, inform them of the symptoms and take your child in for a COVID-19 test

Your child must isolate for 24 hours

You are not at risk, continue with regular protocols

If you receive a Negative test result and you feel well, inform your supervisor, rerurn to work and continue with

If you receive a Positive test result, inform your family doctor and supervisor immediately for further instructions

If your child's test result is **Negative**, they can return to school if: they do not have a fever (without the use of meds), it has been 24 hours since their symptoms have improved and they have not had close contact with someone diagnosed with COVID-19

If your child test result is **Positive**, they cannot return to school unless they are cleared by Public Health. Inform their school or day care immediately. As the parent or guardian, you must also self-isolate and follow instructions/flowcharts regarding Close Contact with a confirmed case

If your child feels well after the 24 hour period, they can return to school without a COVID-19 test

If your child's symptoms continue or worsen, consult with your family doctor for further instructions such as scheduling a COVID-19 test
